TaskArrowSm.tiff ¬   Here is a partial list of the features this application has.   229874_TaskArrowSm.tiff ¬   The basic idea is to have a tool where you can quickly drop notes and be sure that they will remain there. It really is only a big big clip board. 84846_TaskArrowSm.tiff ¬   For further details please read the *Release Notes*.

291955_PixelRule.tiff ¬

220329_CheckMark.tiff ¬   Use the pasteboard, the services or our new command to create new notes the will appear in the fashion of the template specified and the position you have selected in the preferences.

613165_CheckMark.tiff ¬   Modify the existing notes template or create one in the normal library paths (/LocalLibrary/ClipNotes/ or ~/Library/ClipNotes). See the preferences for a description of the keywords.

383442_CheckMark.tiff ¬   When quitting the app or logging out of the system ClipNotes will automatically stare all your notes into the specified path under the name ClipNotes.rtfd.

877761_CheckMark.tiff ¬   If you don't want to save the current notes you might escape for the app too.

796245_CheckMark.tiff ¬   Use the Preferences to adjust all the settings.

187441_CheckMark.tiff ¬   Should work as advertised.
