This utility was written, during odd moments, in mid 1992, and enhanced for 'CRLF' files in July 1993 by David John Burrowes. If you have questions, comments, or whatever, you can presently find me at the following EMail addresses:

death@netcom.com (No NeXTmail)

Of course the various product names I mention here are owned by their respective companies (Macintosh by Apple, NeXT by NeXT, DOS by Microsoft, etc).
