

# Save command

Line.tiff ↵

TitleInside.tiff ↵ menupath2.tiff ↵ SaveInside.tiff ↵

Opens the standard Save panel, asks for a file name and stores all selected owners in this file.

60915\_PixelRule1.tiff ↵

- You can only save using the **.defaults** file format.
- The Save panel allows the placement of read permissions for "Group" and "Other".

PixelRule1.tiff ↵
