1.1 Fractal Creation Archives

Filename	Comands	Size	Description
fracegs.lha	VX	6K	FractalsEGS by Oliver Eichhorn - This is a very basic fractals generator.
krmell45.lha	VX	21K	Kruemel-Monster V1.45 by Volker Graf - This will generate a 2-dimensional matrix and show the new generation. Each status (0-15) is represented by a colour. If you are using a 4 colour screen the status 3, 7, 11, 15 is represented by the same colour, if you are using a 8 colour screen the color 7, 15 are represented by the same colour.
