1.1 Mouse Enhancement

Filename	Comands	Size	Description
mouso20.lha	VX	23K	MouseOmeter 2.0 - This measures your mouse- movement on your mousepad in kilometers. Some other statistics are also included.
qmouse29.lha	VX	21K	QMouse V2.90 by Dan Babcock - I missed one program more than any other when I switched to Kickstart 2.0: QMouse, the venerable mouse-utility. So I decided to write my own. QMouse V2 (this program) is a completely new program, not an update to QMouse.
