

Print Cartridge Maintenance

Click on the desktop printer to which you want to perform print cartridge maintenance.

Cleaning Print Cartridges

To clean your print cartridges, choose "Clean Print Cartridges" from the "Printing" menu. Follow the instructions on your screen.

Aligning Print Cartridges

To align your print cartridges, choose "Align Print Cartridges" from the "Printing" menu. Follow the instructions on your screen.

Note: Refer to your HP DeskJet 850C User Guide for more information on print cartridge maintenance.
