Ordering Information

This version of GopherGolf is a demo. It will allow you to play the first three holes of the courses. You can use the editor but you can not save your course changes. To be able to play all 18 holes per course and edit courses you need to register.

You can register your copy of GopherGolf by phone, mail, email or through CompuServe's Software Registration. You will receive a registration number that lets you access all options of GopherGolf. At this time we are able to offer the game to you for only $15.00 for just a registration number or $20.00 if you also want a disk sent to you.

We have spent countless hours making GopherGolf a great game. We believe it is very high quality and the registration fee is quite reasonable. Please support our shareware efforts by registering you software.

The first thing to do is click on the Order Form button on the main information screen that comes up when you start the game. Fill out the appropriate information and either print it out or create a new file by clicking on the correct button.

By Phone:
You must use a credit card to order by phone. Make sure you have your credit card information and call the number listed below. You can receive your registration number instantly.

By Email:
You must use a credit card to order by email. Send the order form you created, with your credit card information filled out, to the email address below. Allow one to two days for your registration to be emailed back to you.

By SWREG:
CompuServe has a facility they call SWREG which is short for Shareware Registration. This service will take your information from you and forward it to us. The registration fee will be added to your CompuServe bill. You can only order the registration number through SWREG. You can not order the disk this way. To order through CompuServe's SWREG facility type GO SWREG while on CompuServe. Follow the instructions. You will be asked for the software Registration ID which is 3168 for GopherGolf. Allow two to three days for the registration number to be emailed back to you.

By Mail:
If ordering from the United States you can mail your fee in cash, check or

money order. If you are ordering from outside the United States you must mail your fee in cash, postal money order or bank check from a US bank. Do not send bank checks from foreign banks. Most foreign banks charge up to $50 to cash their bank checks in the US. Print out the filled in order form and mail it along with the registration fee to the address below.
