

TimeTracker is available at the following locations.

Do you have the latest version? Maybe not! If you have trouble locating TimeTracker, send email to mauisw@aloha.net

- Maui Software's WEB Page and ftp site

<http://aloha.net/~mauisw>

<ftp://aloha.net/pub/users/mauisw>

(this site always has the very latest versions posted)

- Info-Mac (and mirror sites)

- America Online (posted in many forums such as the Business, Legal and Macworld forums)

- CompuServe (posted in the many forums such as ACIUS, LAWSIG, MACAP, DTPFOR and the ZMac:Download & Support (ZMC:DOWNTE))

- First Class BBSes (LAMG, BMUG, DigitalNation, NYMUG, MauiLink, Boston Computer Society, and Planet BMUG)

- Local BBSes sometimes carry TimeTracker. If not, upload it!
