

What Do Each Of The Icons Do?

Each icon performs a specific task by the simple click of a button! Below is a listing of each icon found on the Main Menu screen:

This is the CD List Icon. By clicking this icon, you will get a listing of the CD's contained in your collection. Each CD will then display the Artist, CD Title, Category, Rating and Total Elapsed Time.

This is the Add CD Icon. By clicking this icon, a new CD will then be entered into your collection. Note: In the List menu, this icon will take you back to the Main Menu.

This is the Delete CD Icon. By clicking this icon, you will delete the current CD being displayed. A menu will pop up asking, "Are you sure you want to delete this record?" to avoid accidental deletion.

This is the Previous Icon. By clicking this icon, you will be taken to previous CD in your collection.

This is the Next Icon. By clicking this icon, you will be taken to the next CD in your collection.

This is the Find All Icon. By clicking this icon, you "find" all of the CD's in your collection. In other words, ALL of the CD's in your collection will be accessible for viewing, as opposed to a selected few.

This is the Find Icon. By clicking this icon, you will be taken to the Find Menu. Once there, you can search all of your CD's by the criteria you wish to enter. Once the data is entered, click the Find icon again, or hit 'enter.'

This is the Sort Icon. By clicking this icon, you will automatically sort all of your selected CD's alphabetically by Artist, and Title.

This is the Lyrics Icon. By clicking this icon, you will get a listing of of the song lyrics for the selected artist. Note: You can also go directly to a track's lyrics by clicking the track number to the left of the title.

This is the Sound Sample Icon. By clicking this icon, you will play the sample recording from your selected artist. If there is no sound present, you will be able to input and save your recording from the pop up menu.

This is the Print Icon. By clicking this icon, you will print the current information being displayed. The information will be identical, however the layout will not.

This is the Quit Icon. By clicking this icon, you will "pack your bags" and quit the Compact Disc Library.
