

The 50 Fonts Pack, Volume 1

This is a great classic. The 50 Fonts Pack, Volume 1, has been saluted by numerous magazines as a great deal, and many of its fonts are still exclusive to-day. Furthermore, it contains many foreign language fonts, at a price never dreamed of before for these kind of types. Thousands of satisfied owners, private users or professionals, casually use The 50 Fonts pack, Volume 1, to enhance the originality and quality of their productions.

If these fonts come in True-Type or Adobe format, ready to use on your system.

A FONT TREASURE CHEST for the font-conscious computerist !
