

More languages

Our creative process is never a rest. It means we are constantly creating new language fonts and software.

We have come up with sensible and affordable solutions to write in foreign languages, with the current Mac OS. We deliver to-day specialized packs for the following languages :

East-European (Czech, Polish, Roumanian, Slovak, etc...)

Cyrillic (Russian, Serbic, Ukrainian, etc...)

Hebrew

Turkish

Here are a few of the projects we are currently working on :

Arabic

Bengali

Chinese (Pinyin and ideograms)

Esperanto

Greek (ancient and modern)

Farsi

Kanji (Japanese & Korean ideograms)

Korean Hangul syllabes

Sanskrit

Tamil

Thai

Tibetan

Urdu

Vietnamese

Please contact us if you are looking for any of these, or another language, so we can inform you as soon as they are available.
