

ChordLab costs \$20.00 per registered user + 5% sales tax where applicable. If you have an email account, we will email you your personal access code. If you need us to mail you a disk a surcharge of \$5.00 for S&H will be applied.

Please send a check for the exact amount and include it with the printed registration form. If you don't have a printer copy the information off this screen by hand. The check should be made out and send to:
