Numbers represent WEIGHT and LENGTH of blade

KATANA - two handed, average attack speed, balanced attack power.

RAPIER - one handed, lightest weapon, ideal for thrust attacks, low defense.

NAGINATA - two handed, very slow attack speed, longest of all weapons, average attack power. ↔

HAMMER - two handed, slow attack speed, VERY heavy. High attack power.

NODACHI - two handed, wider cutting surface, well balanced attack power, slower attack speed. ↔

LONG SWORD - one handed weapon, faster attack speed, ideal for beginners.

SABER - shortest sword, one handed, fastest attack speed, low attack power.

BROAD SWORD - two handed, heavy sword, slow attack speed, good attack power because of double edged design. ↔
