July 1998
The Art of Fighting

Introduction:

Icons of weapons and other devices of destruction. *BANG* *WHACK* *BOOM*

Description:

The Art of Fighting is the thing all icon sites will eventually have - icons based on general violence. The set is originally a part of the IconHQ collection, but as I joined Epoch Icons, I brought some of my sets with me.

For **more** icons visit Epoch Icons on the web!

<http://www.epochicons.com>

Legality:

The icons included in this set are copyright © 1998 Epoch Graphics and were created for personal use only. This set may be distributed as freeware as long as this Read-Me file remains intact. These icons cannot be used in any commercial application or internet presence without express **permission from the author(s)**, and are intended for the free and non-profit use of individuals only.

For distribution information, please contact me or go to Epoch Icons on the web:

How To Make Use of the Icons:

1. You need to be running a Macintosh running system 7.0 or higher.
2. Create a new blank folder (or select the file of the icon you wish to customize)
3. Select an icon from the icon set you want to use
4. From the file menu, select "Get Info"
5. Click on the upper left corner of the dialog box to select that icon.
6. From the "Edit" menu select the copy command.
7. Repeat steps 4&5 on the blank folder you originally created.
8. From the "Edit" menu select the paste command.
9. That's it! (now e-mail us and tell us what you think)
