License Agreement

The application The Tilery, this document, and the file Read Me - The Tilery constitute The Tilery Package. You may freely copy and distribute the The Tilery Package, provided that:

- You do not sell any of the files in the The Tilery Package, and
- You do not alter any of the files in the The Tilery Package, and
- You always include all of the files in the The Tilery Package.

The Tilery 4.0 is distributed as shareware. Please see the chapter “How to Purchase” for instructions on purchasing a registration key that will enable all features of The Tilery. Thank you for supporting shareware!

Use this software at your own risk. Semicolon Software disclaims all other warranties, express or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose. In no event shall Semicolon Software be liable for any indirect, special,

incidental, or consequential damages or for loss of profits, information, or goodwill, even if Semicolon Software has been advised of the possibility of such damages. Semicolon Software's entire liability and your exclusive remedy shall be return of the price paid. Some states do not allow the exclusion or limitation of liability for incidental or consequential damages, so the above limitation may not apply to you.

We are happy to respond to any questions you may have concerning this or any other Semicolon Software product. Enclosing a stamped, self-addressed envelope with your letter will help speed our response.
