1.1 Updated Libraries

```
 38 updated Libs since release 33:

* amos.library                 47156                      2.21  (11.09.98)
-----------------------------------------------------------------------
* boards.library               12192                      2.20  (22.11.98)
-----------------------------------------------------------------------
* ctswlib.library               2440                      3.2   (13.12.91)
-----------------------------------------------------------------------
* dopus5.library              174908                     64.17  (12.05.98)
-----------------------------------------------------------------------
* emulation.library            37820                     40.376 (07.08.98)
-----------------------------------------------------------------------
* gadtools.library            906794                     41.0   (22.02.92)
-----------------------------------------------------------------------
* gateway.library               5520                      9.0   (30.10.98)
-----------------------------------------------------------------------
* graphics3D.library           35672                     13.1   (21.10.98)
-----------------------------------------------------------------------
* mesamain.library            614076                      3.0   (??.11.98)
-----------------------------------------------------------------------
* mesamain.library            596044                      3.0   (??.11.98)
-----------------------------------------------------------------------
* mmu.library                  17028                      0.8   (18.10.98)
-----------------------------------------------------------------------
* msql.library                 41540                      4.7   (15.09.98)
-----------------------------------------------------------------------
* Picasso96API.library         24440                      2.270 (12.09.98)
-----------------------------------------------------------------------
* royalbridge.library           6252                     34.31  (31.10.98)
-----------------------------------------------------------------------
* rtg.library                 207128                     40.3400 (29.10.98)
-----------------------------------------------------------------------
* rxmiamibpf.library           10544                      2.7   (02.11.98)
-----------------------------------------------------------------------
* sfxsupport.library          117812                      1.20  (??.??.97)
-----------------------------------------------------------------------
* superview.library            23600                     21.9   (05.10.98)
-----------------------------------------------------------------------
```

```
* superview.library            23484              21.9   (05.10.98)
-----------------------------------------------------------------------
* ttf.library                  52708              10.75  (08.11.98)
-----------------------------------------------------------------------
* vapor_update.library         18620               2.5   (03.10.98)
-----------------------------------------------------------------------
* xarctools.library            12512              15.1   (07.10.98)
-----------------------------------------------------------------------
* xfdmaster.library            71896              38.5   (11.11.98)
-----------------------------------------------------------------------
* xvs.library                  50080              33.13  (02.11.98)
-----------------------------------------------------------------------
* z.library                    34916             113.1   (??.10.98)
-----------------------------------------------------------------------
* mathieeedoubbas.library       1488              44.32  (10.11.98)
-----------------------------------------------------------------------
* mathieeedoubbas.library       1096              44.32  (10.11.98)
-----------------------------------------------------------------------
* mathieeesingtrans.library    14532              44.32  (10.11.98)
-----------------------------------------------------------------------
* mathieeesingtrans.library    14348              44.32  (10.11.98)
-----------------------------------------------------------------------
* mathtrans.library            14900              44.32  (10.11.98)
-----------------------------------------------------------------------
* mathtrans.library            14756              44.32  (10.11.98)
-----------------------------------------------------------------------
* rexxarplib.library           43280               3.6   (??.06.98)
-----------------------------------------------------------------------
* rexxidentify.library          3920               1.9   (18.10.98)
-----------------------------------------------------------------------
* xpkmaster.library            16384               5.0   (30.10.98)
-----------------------------------------------------------------------
* xpkFAST.library               2136               1.10  (20.10.98)
-----------------------------------------------------------------------
* xpkGZIP.library              29248               1.1   (24.10.98)
-----------------------------------------------------------------------
* xpkGZIP.library              28364               1.1   (24.10.98)
-----------------------------------------------------------------------
* xpkLHLB.library               1024               1.1   (05.04.98)
-----------------------------------------------------------------------
