I support the idea of shareware and wish to become a legitimate user of
TommySoftware® CAD/DRAW. I realize that registering shareware will help
create more powerful, yet low cost, software.

For registering this software, I will get a bonus disk including more fonts and more converters from the TommySoftware® library. In addition, the bonus disk contains the TASS system. This easy-to-use application is used for support concerns and allows to create formalized requests that offer all technical informations needed for fast and high-quality support.

I will get a printed manual, a license card, a license contract, a registration card, free product support via Hotline, FAX and CompuServe, and, of course, my bonus disk. I will send in the registration card only to TommySoftware®, at the address on the registration card.

The registration fee, including all of the above is only 79.90 Cdn\$ incl. 7% GST (plus 3.- Cnd\$ for shipping).

QUANTITY	ITEM	PRICE EACH	TOTAL
