README FILE FOR SUPER CURSOR

DEMO VERSION for Windows 3.1

```
******************************************************************
******************************************************************
```

This README file contains the following information:

> Running Super Cursor
> Common Problems
> Incompatible Applications
> Ordering Super Cursor
> Limited Warranty

```
******************************************************************
```

Super Cursor lets you break the two color barrier for your cursors in Windows.  You can have full 16 color capability.  Your new cursor can be not only colorful but also animated.  Super Cursor will bring new life to your Windows.

RUNNING SUPER CURSOR
--------------------

1. Unzip all the files to a single directory.  ex. \SCDEMO
2. From the Windows Program Manager:  RUN SUPERCUR
3. To Exit Super Cursor:
 Bring up Super Cursor Window (either clicking on icon or
    trying to run SUPERCUR again)
      Click on the Close button.

COMMON PROBLEMS
---------------

1.  The cursor does not move, or is removed from screen when a
 system modal dialog box (like the Windows Exit box) is brought
 to the screen.
   This is not an uncommon situation.  The mouse still works even
 though it is not sceen on the screen.  Also, the keyboard is fully
 functional. You may have to TAB to your dialog choice, or use the
 Alt-<>.

2.  Error Message "ERROR! File is not an acceptible format."
 comes up when Super Cursor is run.
   The possible problems that could bring up this error are:
 a)  The search path for your computer has been changed.  This
     sometimes happens on a network login.
 b)  One of the Super Cursor files has been corrupted.
 c)  The Super Cursor file you have seleted no longer exists.

INCOMPATIBLE APPLICATIONS
------------------------

1.  Microsoft's Visual C++ will cause undetermined errors when compiling
    or building a project.  Save files before testing with this application.

    If you find any problems, incompatible appliations or comments,
    please write to:
          Intelligent Voice Solutions, Inc.
          P.O.Box 536755
