

Bookware

QuickShow Light for Windows is neither freeware, shareware or commercial software. It's bookware. If you like *QuickShow Light for Windows*, please read Steven William Rimmer's new novel **The Order**, ISBN 1-895268-02-8, published by Jam Ink Publishing. If you enjoy it, tell your friends about it. Send us your comments about **The Order** or a photocopy of the cover and your receipt from the bookshop where you bought it and we'll consider you a registered user of *QuickShow Light for Windows* .

Alternately, send us \$40.00, the normal registration fee for this package. The book's a lot cheaper, and generally more fun.

The Order is set in the Scottish highlands, in a decaying castle, in the winter of 1882. It's the story of a young woman who finds herself in the midst of a secret society whose members appear to be killing each other. The secret society dates back to crusader times... the mystery behind it dates back considerably further.
