Video Draw Poker requires VBRUN300.DLL to reside in the Windows System Directory (ie. "\WINDOWS\SYSTEM"). This is automatic if the program is installed from the distribution or a registered disk. If the program has been downloaded from a BBS or passed on from the BBS distribution version, a copy of VBRUN300.DLL can normally

be obtained from the same source.

A copy of the general distribution version of the program may be obtained from the author for a $10 (CDN) service and shipping charge. This includes all files required and has an easy to use setup program for proper installation. Please indicate preferred disk format. Cheques must be payable to Walter Toews. Mail to: WT Enterprises, #300 - 1857 W. 4th Ave., Vancouver, B.C. V6J 1M4.
