  number.

  Program Name: Bow and Arrow - In Search of the Greatest Archer
            Version 1.0

  Description: Travel back to the days of Myth and Legend. You,
            a locally reknowned archer, go off in search of the Black
            Archer, the greatest bowman in all the land. On your
            way you are thwarted by many perils. Speed, accuracy, and
            cunning are all neccessary to accomplish your quest.

    Executable: b&arrow.exe
 Operating System: Windows 3.0 and above.

  Installation: 1. Copy b&arrow.exe to hard disk.
            2. Start Windows.
            3. Choose 'Run' under program manager's 'File' option.
               Type full path of b&arrow.exe.
                     or
               Choose 'File', 'New', 'Program Item' under program
               manager. Enter full path of b&arrow.exe. Click
               twice on newly created icon.
