# Chapter 1

## ReaderAds

### 1.1 Reader Ads for AFCD17

Welcome to a new section for the mag/CD. At the moment, we don't ↔  
really have  
enough Reader Ads to warrant putting aside a page for them, so we're just  
going to put these in this Amigaguide on the CD. It may be that we continue  
with the guide file format, but it's probably too much work.

On with the show:

WANTED

David Bateman wants SAS C v6.50+

David Sheffield wants stuff for ProDraw

Karl wants some Leathernecks  
FOR SALE

Paul Brown has some Zorro stuff to sell

Jason Watson has a processor card to get rid of

Scott Brimley wants to sell his A1200 accelerator

Need a Kickstart? D Hughes has some

D Hughes also has an A1200 to sell  
MISC

Andrew Jackson wants contacts

Karl Roebuck wants to swap SCSI

## 1.2 Dave wants to join the SAS

SAS/C Compiler wanted, at least version 6.50 required so that I can patch it to 6.57 or above.

Contact:

David Bateman  
22 Hemlock Avenue  
Huntingdon  
York YO3 9DG  
t: 01904 624637  
e: david@theouterlimits.demon.co.uk

## 1.3 Dave wants to supplement his pro drawing

Wanted: the 4 supplements and Don's Genies for ProDraw which are now out of print. Good price paid.

Contact:

David Sheffield  
t: 0114 274 6357

## 1.4 Young Andy likes to meet people...

PD contacts wanted. Fast and reliable trader. No pirates please.

Contact:

Andrew Jackson  
7 Nut Tree Close  
East Huntspill  
Nr. Highbridge  
Somerset TA9 3PN

## 1.5 Paul's got a lotta space for RAM

For Sale

SCSI controller with HD + 2MB RAM (30-pin SIMMs) for big box Amiga incl. software & manuals (£55)

Supra RAM card with 2MB RAM (30-pin SIMMs) for A1500/A2000 incl. software & manuals (£35)

---

## 1.6 Speed your A3/4000, but not by very much...

For sale

A3000/4000 50MHz 030/882 CPU card with manual. £80 UK only.  
Reply Jason (01476) 401282 (ilya@enterprise.net)

## 1.7 Karl in SCSI swap shock!

Swap Squirrel SCSI interface for Dataflyer SCSI interface.  
Tel: 01407 832778 after 6PM and ask for Karl.

## 1.8 bits or all together, Scott doesn't mind

For sale

A1200 memory expansion + 28MHz maths co-pro + 2 x 2MB 80ns SIMMs. Will sell separately. Phone Scott on (01234) 211910.

{@i}We wouldn't charge you for a reader ad Scott...{@ui}

## 1.9 Git'cha Kickstarts 'ere!

For sale

Kickstart 1.3 & 2.05 £10 each.

Contact:
