Important message to our Overseas foreign customers

DO NOT SEND US CHECKS PAYABLE IN YOUR COUNTRY, EVEN WRITTEN IN DOLLARS, please.

The price of foreign check cashing is so high, it would take most, or exceed the amount of purchase.

We gladly accept, however, major European Community (EEC) and Canada banknotes as cash payment. Please make sure to fold them in additional paper, so they do not show through the envelope, to avoid any trouble from the post office carriers.

You may send us at your convenience cash, traveller checks (easily available at your current bank), postal or international money orders. For electronic money transfers, please contact us by fax or telephone to obtain our current bank number.
