Company produces standard MIDI sequences. These sequences will perform on any electronic piano, stand alone sequencer or personal computer equipped with the appropriate sound module and playing software.

accept standard MIDI files, we have conversions available for most popular brands, just indicate your make and model on the order form. There is no additional charge but a \$30 minimum order is required

for non-standard files.

convert your present sequence files to/from MIDI and to/from your equipment. Please write for a quote, stating your needs. We may need your program and drum maps to accomplish this conversion.
