

K.1.2# Overview of PE Files

This section of the help file will contain a general discussion of the PE file format and its ancestors.

- 1^K Overview
- 2^ PE File Overview
- 3# techinfo_overview

K.4.5.6 MZ Header

This section of the help file will contain an explanation of the "MZ" real mode program header.

4^K MZ;Header, MZ

5^S MZ Header

6[#] techinfo_mz

K₇S₈#₉ Real-Mode Stub Program

This section of the help file will contain a description of the real mode "stub" program.

7^K Real-mode program;Stub program

8^S Real-mode Stub Program

9[#] techinfo_stub

K₁₀S₁₁#₁₂ PE File Header

This section of the help file will contain a description of the "PE" (portable executable or paged executable) file header.

10^K PE;Header, PE

11^S PE File Header

12[#] techinfo_pe

K₁₃S₁₄#₁₅ COFF File Header

This section of the help file will contain a description of the COFF File Header.

13^K File Header;COFF
14^S COFF File Header
15[#] techinfo_filehdr

K₁₆S₁₇#₁₈COFF Optional Header

This section of the help file will contain a description of the COFF Optional File Header.

16^K Optional Header;COFF
17^S COFF Optional Header
18[#] techinfo_opthdr

K₁₉S₂₀#₂₁ Section Headers

This portion of the help file will contain a description of the COFF Section Headers.

19^K Section;Header, section
20^S Section Header
21[#] techinfo_secthdr

K₂₂S₂₃#₂₄.text Section

This portion of the help file will contain an explanation of the COFF .text (code) section.

22^K Text;Section
23^S .text Section
24[#] techinfo_text

K₂₅S₂₆#₂₇.data Section

This portion of the help file will contain an explanation of the COFF .data (initialized data) section.

25^K Data;Section
26^S .data Section
27[#] techinfo_data

K₂₈S₂₉#₃₀.bss Section

This portion of the help file will contain an explanation of the COFF .bss (uninitialized data) section.

28^K BSS;Section
29^S .bss Section
30[#] techinfo_bss

K₃₁S₃₂#₃₃ .idata Section

This portion of the help file will contain an explanation of the COFF .idata (import table) section.

31^K Import;IDATA;Section
32^S .idata Section
33[#] techinfo_idata

K₃₄S₃₅#₃₆.edata Section

This portion of the help file will contain an explanation of the COFF .edata (export table) section.

34^K EDATA;Section;Export
35^S .edata Section
36[#] techinfo_edata

K₃₇^S₃₈[#]₃₉.rsrc Section

This portion of the help file will contain an explanation of the COFF .rsrc (resource table) section.

37^K Resource;RSRC;Section

38^S .rsrc Section

39[#] techinfo_rsrc
