Welcome to New York Pick 6 Lottery					
<i>Use down arrow or page down to move.</i>					
About Lottery					
The pick 6 lottery is a favorite pastime of many New Yorkers. The object of the game is to pick the same six numbers as selected in the actual drawing.					
How To Play					
Select six numbers between 1 and 54 -- or click "Random Picks" to have the computer do it.					
Click the "Play Lottery" Button and six ping pong balls will be selected at random. If sound card is present a sound will be played letting player know if number selected matched a number selected by the player					
After all six numbers are selected by computer a brief message will appear letting player know how many numbers were matched.					
To play another game simply click the "Play Lottery" button again.					
To quit press the "Quit" button with mouse.
