Watch words being placed

**This workbook will create a word search puzzle using the words in range A1:A25. This range can hold any number of words between 1 and 25. Do not leave any blank cells in the word list (except at the end of the list).**

**NOTE:**  
**Occasionally, the program cannot create a puzzle. If the status bar text does not change for a long period of time, press Esc and try again.**
