

# Species at Risk

And their Habitats

## *Grade 6 - Saskatchewan*

### **What is this product?**

A CD containing a 41 slide (approx. 30 min.) MS Powerpoint presentation in both French and English. You will also find 'Teacher Notes' in Adobe PDF format, as well as the links to the Saskatchewan Science Curriculum.

### **Who is the audience?**

Grade 4 - 6 students in the Prairie Provinces.

### **What Saskatchewan Science Objectives does it address?**

Grade 6: Ecosystems

1. Investigate factors which influence an ecosystem
2. Inquire into the effects of change in an ecosystem
3. Develop a sense of responsibility for the preservation of the ecosphere.
4. Understand the personal, moral, social, and cultural aspects of how we interact in the ecosphere.
5. Understand how technology both shapes society and is shaped by society.
