FAX 206/685-1613

I request permission to include the materials listed on the following page in an educational project, Toolkit for Nursing Excellence at End of Life Transition (TNEEL), to be distributed via CD-ROM and the Internet. TNEEL will be distributed **free of charge** to all United States nursing programs and to health care agencies. Nurse educators will copy items from the TNEEL CD-ROM to teach nursing students and practicing nurses about providing excellent care to patients and family members facing the end of life transition. Practicing nurses will view TNEEL on the Internet as a self-study program to earn continuing education credits. All authorized use will be restricted to educational purposes only.
