** SHAREWARE **

+3377 SPELLTRIS UNPACK DISK

Spelltris is a Tetris style game where the object of the game is to make

words out of the letters which fall from the top of the screen. Score more points by making bigger and more complicated words.

** SHAREWARE **

+3392 FLAMING ENGINES UNPACK DISK

A SUPERB Super Sprint clone. The best arcade game EVER is yet again converted to the Amiga. Its fast, the gfx and sound are good and its soooooo playable. Drive your car around the track, win the races, collect the points and the credits, buy the add ons and go again. EXCELLENT SUPERB BRILLIANT FANTASTIC.

+3393 INDYCAR CHALLENGE UNPACK DISK

Indycar Challenge is made up of two parts. A managerial section where the player must manage their finances effectively, upgrading their cars capabilities as and when they see fit, and the racing game. All aspects of racing are taken into account. I.E. Engines, Aerodynamics, Tyres, Chassis, Pit Crew etc etc. An excellent game.

** SHAREWARE **

+3398 JUDGEMENT DAY UNPACK DISK

Judgement Day is a similar game to Demolition Mission. The exception that this game works on all Amigas. The object is simple. Fly your plane across the screen whilst destroying the different sized skyscrapers below. After every pass, the plane gets lower and lower. If you havent bobmbed all the buildings by then, youve had it.

+3403 RADIATION UNPACK DISK

The BEST 3D Construction Kit game EVER.

+3423 MANGLED FENDERS & MEGABALL BOARDS UNPACK DISK

Mangled Fenders is a stock car type bash em and smash em game. There are 6 different vehicles to choose from and 6 different background screens. There are also 7 power ups and 6 Multilevel upgrades. A superb game. Also on this disk are 50 boards for the REGISTERED version of Megaball V2.0 and 50 boards for the REGISTERED version of Megaball V3.0.

+3445(ABC) DEAD OF NIGHT UNPACK A B C

DOD is a SUPERB 3 disk multi-language graphic adventure. The graphics are EXCELLENT. The game is based around the old-style Pick Up, Drop, Examine, Open and Close type genre. The english is a bit dodgy in places but this is one helluva game for all fans out there.

** SHAREWARE **

+3446(AB) MISSILES OVER XERION UNPACK A B

One of THE BEST PD GAMES OF ALL TIME. Im not joking either. This is fantastic. Basically, it is Missile Command, BUT, the graphics are stunning, the sound is stunning, the presentation is stunning, there are billions of different power-ups, (well a few anyway) AND it works on all machines too with enhanced bits for machines with 1MB chip RAM. Astounding, amazing. If you are a nostalgia freak, or just like shoot-em ups, THEN YOU

MUST BUY THIS GAME TODAY. It could easily sell as a full price game and everybody would go potty over it. Also if you load it through Workbench you get an old basic ploppy version of MC too.

+3455 DELUXE GALAGA V2.4 UNPACK DISK

The latest version of this ever popular shooting game. New features include 75 levels, now use a joypad, money, money bonuses and progress indicator added to the meteor storm plus a few other bits as well.

+3459 XENEX UNPACK DISK

Xenex is an up-to date variation on the old classic, Asteroids, different and more souped up weapons, large sprites and much much more, plus the fact that its extremely bloody fast. Written by Mark Sheeky, the guy who did Overlander and Global Thermonuclear Warfare.

** SHAREWARE **

+3462 OBSTICKLE UNPACK DISK

A superb christmas platform game. The graphics and sound are excellent. The sprites are well drawn and the gameplay is superb. Get this one today.

** SHAREWARE **

Internal Combustion is an overhead view racing game. The aim is to race around each of 12 tracks as fast as possible, and to ultimately win the Internal Combustion League. Various power-ups can be collected to aid or to hinder your progress. The game can be played by upto 3 players.

+3544 TURBO JAM UNPACK DISK

A superb overhead buggy style driving game, the object being to collect the flags dotted around the course without hitting your opponents or any of the obstacles. This is a SHAREWARE version and only allows you to play the first level.

+3549 SUICIDE MACHINE UNPACK DISK

YOU (the most fearfull bunny called FLUFFY) are out to destroy it all!It doesn't matter to you, if you shoot sweet mice (Mr.Pink) or flying cats (Furball)!You've got several weapons for reaching your biggest mission. Once in a while your efforts are rewarded by dropped ammo.If you shoot these icons, you're rewarded the ammo.It's important to shoot these as you run out of ammo quickly.The better ammo will come with bigger intervals whereas the minor ammo comes more often.

** OPERATION WOLF WITH FLUFFY ANIMALS.....NUFF SAID **

+3558(AB) MADHOUSE - INDIAN SPIRIT UNPACK A B

An arcade adventure game based on the efforts of LucasArts, e.g Day of the Tentacle & Sam and Max. You play the role of a young janitor in a mental institution, and enter a world of lunacy. the gfx and sound are superb, you can move around the enter madhouse and talk to people, pick up and drop stuff etc etc. Excellent.

+3567 POKERMANIA UNPACK DISK

Whilst fruit machines are infinite, Poker Mania does have a distinctive goal. Starting off with one pound, your first aim is to attain ONE HUNDRED quid or more by playing Poker and its many sub games. If you succeed, you will then be transported to the second part; Pontoon, and use your winnings against the computer in the hope of accumulating another HUNDRED pounds. Only then will you have defeated Poker Mania and declare yourself rich beyond your wildest dreams...!

+3568 LETHAL FORMULA UNPACK DISK

An adventure game that is a quite good really. Similar to Monkey Island etc etc with a point and click style interface. The puzzles are quit entertaining and should keep you going for a while.

+3587 BOING V3.0 UNPACK DISK

Remember Thing on a Spring on the Spectrum. Well this is very similar. Bounce around the screen by gaining momentum on the springs which are dotted around the screen. Clear the level of goodies whilst avoiding the nasty spikes and move onto the next.

+3591 COINMANIA UNPACK DISK

The AIM of the game, is to collect all of the coins, avoiding the hazards that block your path, whilst you race against the clock. When you move off the tile you are presently on, it will crack and disappear, so that you will not be able to go back on yourself. Souns complicated but this is a very addictive puzzle game.

** SHAREWARE **

+3593 LEAGUE SOCCER CARDS V1.1 UNPACK DISK

The very latest version of this most popular football card game. Match a pair to score goals, get penaltys etc etc. You know the score, (no pun intended).

+3595 CLASSIC PUCMAN UNPACK DISK

Classic Pucman is an ARCADE PERFECT conversion of the very first pacman game ever which was written by Namco. You just cannot tell the difference between this and the cabinet version. If you have been crying out for it, then here it is and by god its a classic. Also if you can remember the original being released, then you must be a very old git.

+3596 DELUXE GALAGA V2.51 UNPACK DISK

Deluxe Galaga is based on the game StarBattle on the old VIC20. That was one excellent game, that I had a lot of fun with. It's also some features from the games Galaga and Galaxions. Version 2.5 contains even more new features including full multitasking, ship armour, new music and various other tweaks and fiddles just to make it that bit better. This is the most played game EVER in our office. BUY IT TODAY or we'll come round and bite yer legs off. THE best PD shootemup EVER.

+3608 AMIGA DEMON V1.01 UNPACK DISK

This popular, single player, card patience game is better known in America as Canfield. The game is played with a single, standard pack of fifty two playing cards. Thirteen cards are dealt to form a reserve, known as The Demon with only the top card being visible. The next card is dealt face up, to the right of The Demon, to start the first of four foundations. During the game, as each other card of the same rank as this becomes available, it is placed in line with the first to begin the remaining foundations. Four cards are now dealt face up in a non-over-lapping row to the right of The Demon and below the foundations to form the tableau. The game then commences.

+3609 INFECTION UNPACK DISK

Infection is a board game similar to OTHELLO but in the same instance totally different to OTHELLO. It is a game for 2-4 players. Any of which can be HUMAN or one of 2 computer levels (CPU1 & CPU2). The objective of the game is to eliminate all opponents, or in the event of the board filling up, have the greatest number of cells (pieces) left. Each player is given 1 cell which starts in their relevant corner. It is from this single cell that the player must infect the board and all opponents.

+3610 JUMPEM UNPACK DISK

Jumpem is a puzzle game where the object is to bounce around on the tiles. When you have hit a tile, it disappears. You cannot go back on yourself, and the goal is to make all the tiles disappear and reach the exit.

+3611(AB) CYBERGAMES UNPACK A B

This is a superb beatemup along a similar vein to Barbarian and Mortal Kombat. Although there arent as many moves, there are still some gory effects including the ability to chop your opponents head off etc, etc. Also you can buy special weapons including throwing stars, laser beams and various other goodies. Well worth a look.

+3619 PENGGO UNPACK DISK

Pengo is a maze-game. The maze is made up of blocks of ice, which you can push or melt. Blocks are melted by pushing a block that has another block directly in front of it. If that sounds confusing (and it probably does), play the game, and you'll understand what I meant. Everybody must have heard of Pengo at one time or another. It was one of the early arcade classics and still is today.

+3625 ROBS HOT GAMES #12 UNPACK DISK

Asokoban V2.1, MasterBlaster V1.1(Excellent!!), Thinkamania V2.97, RockSlide V1.3.

+3636 M.A.S.H. UNPACK DISK

M*A*S*H is an insanely violent war game for 1 or 2 players where two teams of genetically altered Spuds try to cross the level (a bit like Lemmings) and blast each other to tiny little bits (a bit like Scorched Tanks.) The objective of the game is to cross the level and hit your enemy's base a

set number of times .

+3643 DOCTOR STRANGE 2 UNPACK DISK

Control Doctor Strange as he leaps and bounds around a platform arena of monsters and objects. Contact with any monsters or hazards, such as spikes, will result in the death of Doctor Strange, so these must be avoided at all costs. Each section of the game consists of five levels, the objective of each level being to find the exit and leave by it. On some levels the exit will be obvious but on others it will be less obvious. Upon reaching the end of a section you will be rewarded for your efforts with bonuses based on what you collected and how many lives Doctor Strange has left. The first Dr Strange was a huge success and this is far better then the first one.

+3653(AB) HYPERACE UNPACK A B

HyperRace is an overhead racing game. It features 32 color graphics. Each of the cars feature about 160 frames of animation. If you are running the game on a machine with one megabyte of memory then Hyperace allows three cars on screen. If it is running on machines with two megabytes of memory or more, Hyperace allows four cars on screen at once. Any of the cars can be human controlled. It was written using AMOS.

+3662 ROBS HOT GAMES #13 UNPACK DISK

Bulder OCS & AGA, Ooze.

+3665(AB) CLASS E: LUNAR MODULE UNPACK A B

Land the lunar Module on various points on the planet, pick up fuel and take off again. Nice

+3671 DOMINOES UNPACK DISK

You play dominoes against a computer opponent. The rules are standard dominoes ones: you must place a domino next to that of your opponent. You may only place a domino if one of the numbers on your domino matches the number at the end of the line of already placed dominoes.

+3673 ROBS HOT GAMES #14 UNPACK DISK

The hot games are back. Must be the sun or something. On here is China Tiles, Draughts and Sensible Massacre 2.

+3681 GLASSBACK 2 UNPACK DISK

A good platform game with reasonable gfx and sfx.

+3692 LAST LAP V1.0 UNPACK DISK

Last lap is as you might have guessed is a car racing game. The game lets the users to race a season race or a free run game in one player or 2 player mode. This game really begins to shine when you play it in 2 player, so get your pal.

+3693 RED DWARF QUIZ V2 UNPACK DISK

 This will test whether you a true Red Dwarf nut or not. Tons and tons of questions about the hit series.

+3702 SCORCHED TANKS V1.85 UNPACK DISK

 Scorched Tanks is a tank warfare game where 1 to 4 human players or computer controlled opponents, take turns at buying fancy weapons and shooting them at each other. The more damage a player causes another, the more money they get. The more money a player receives, the larger the weapons they can buy. This is a very simple concept, but extremely addictive! This version includes the following NEW features.

- 16 and 64 color graphics modes.
- 10 new weapons
- New music by 'Sidewinder'
- Enhanced graphics:
- Scrolling rainbow effect for added sense of depth.
- Trails that follow missiles.
- More graphics for a commercial quality feel.

+3703 SPRINGTIME UNPACK DISK

 Each scheme of this puzzle game consists of tiles, grouped into horizontal and vertical square faces. Your character can walk freely over the tiles on the floor, and pass through the openings in the vertical faces. On the contrary, when a vertical tile bars your way, any attempt to move in that direction results in a rotation of 4 faces, which ends with your man standing on the tile he was previously leaning on. To complete a scheme, you must involve the spring in the right sequence of rotations until it gets to the tile with the flashing X. Sounds complicated. It isnt. What it is though, is the most BRILLIANT COMPLETELY INFURIATING PUZZLE GAME EVER.

+3706 JETSET WILLY 3 UNPACK DISK

 An amiga conversion of probably the most played platform game in existence. All the rooms are in the right places. The sound is a bit crap, but who cares, this is the business. Put your nostalgia hats on now.

+3713 MICROMARKET V3 UNPACK DISK

 The object of this game is to get very rich indeed. Buying and selling shares in the 14 companies listed will enable you to amass a great fortune or a credit blacklisting depending on how good, bad or lucky you are, although the spawney git with no idea of any strategy will not get very far, we promise you!

+3718 PSYCHEUAL UNPACK DISK

Yet another Alien Breed clone. This one is quite good and reasonably close to the original.

+3731 KING HIGH UNPACK DISK

KingHigh as the name suggests is a card game where the player has to guess whether each card following the first shown is higher or lower than the last and the king is always high. There are a number of levels with each type of game divided by a Pontoon type of game where the player has to win 14 times and reach 100000 points.

+3735 ENDURANCE UNPACK DISK

Quite nice 3D Contruction Kit game.

+3740 SPACED OUT UNPACK DISK

2 excellent platform games which will keep the kids quiet for ages and ages. Ace the Space Case and Sound the Space Cadet.

+3760 ROBS HOT GAMES #15 UNPACK DISK

AirTaxi, Slider V1.07.

+3773 LEGIONS OF DAWN DEMO UNPACK DISK

Legions Of Dawn is a mega-atmospheric single-player 3D roleplaying game viewed from first person perspective - in other words as though you are 'inside' the game world and viewing it through your own eyes. The various futuristic constructions that you must attack and defeat are represented by complex maze-like networks, composed of corridors, rooms, doors, computer terminals... a whole array of exciting and fully interactive elements.

(2 MB RAM REQ) (FULL VERSION AVAILABLE FROM US AT 4.99)

+3782 ACT OF WAR MISSIONS #3 UNPACK DISK

Another 3 missions for the REGISTERED version of Act of War.

+3786 EGG SCRAMBLE UNPACK DISK

The BARMIEST most stupid game i have ever seen. It is also one of the BEST games i have ever seen. Two chickens running round at supersonic speed trying to pick up eggs and take them back to your nest. All this going on with a hardcore ravey track in the background.

** FANTASTIC GAME **

+3788 DELUXE PACMAN V1.6 ECS UNPACK DISK

Our yellow hero Pacman must eat all of the pills in the maze to get to the next maze. But danger lurks in the maze. Four evil ghosts are looking for Pacman, and they want to stop Pacman from getting to the next maze. In the maze there are some power pills that Pacman can eat, and he can then kill the ghosts for a limited time. There are also some fruits that popup from time to

time, and Pacman can eat these for extra bonus points. And sometimes some special tools will appear which, when eaten, may affect Pacman or the pills or even the ghosts. Some will speed up Pacman, some will give random points and some will lead to extra levels.

+3791 GEMZ UNPACK DISK

This is another one of those annoyingly addictive puzzle games loved by everyone who buys PD stuff (well, most people anyway !!!). Two grids containing GemZ will be displayed. The grid on the right has been altered by the computer and the object is to make the grid on the left identical to that on the right. This is done by pressing the left mouse button on individual GemZ. This in turn will make the GemZ Change colour. In the middle of the screen between the two grids is the order in which the GemZ change colour. How each Gem changes colour will depend on which game level you are playing. In the easiest level, the Gem which is clicked on changes to the one which is two places lower down. The adjacent GemZ will change one place lower. If the bottom of the list is reached, then the Gem will disintegrate, and all GemZ above it will fall down to fill the gaps (like Tetris).

+3800 CODENAME NANO UNPACK DISK

A superb thrust clone. Very colourful. Nice graphics and sound. Shoot the nastys and pick up various things.

+3803 DUCK DODGERS UNPACK DISK

A good platform game. The object being if it moves, kill it. A brilliant one for the kids.

+3816 DEVILS ABODE 3D UNPACK DISK

An average 3D Construction Kit game set in the hallowed halls of hell and beyond. Well a cemetery actually.

+3822 EXCELLENT CARD GAMES 3 UNPACK DISK

5 superb card games on this disk. Poker, Czarina, Colours, Scottish and Napoleon.

+3824 RED DWARF QUIZ UPDATE #2 UNPACK DISK

This disk will update you Red Dwarf Trivia Quiz with loads of new questions and various other bits and bobs. The RDTQ is on disk 3693 in our library and is required for this patch to work.

+3836(AB)BLACK DAWN 5: A NEW BEGINNING UNPACK A B

This is the fifth game in the Black Dawn series and what a corker it is too. Again, the game is played with first person perspective ala Dungeon Master, and the game is very Dungeon Masteresque. Black Dawn 5 attempts to bridge the gap between Black Dawn 2 and Legions of Dawn. There are six missions in this demo version.

+3838 GALLEONS UNPACK DISK

Galleons is a two player game in the same vain as Tanx and Bip. The sole aim of this game is to blow the other player out of the water. This is done through skilful use of your galleon. The winner is the boat that is still a float in the water. Galleons features:-

- Water waves.
- Destroy the land with your balls (cannon balls that is).
- 50Mhz Update.
- Two player all time classic game ?.
- Never the same game twice.

+3842 MORTAL KUMQUAT 3 UNPACK DISK

A brilliant 2 player only beat-em up with fruit. Thats right folks you did read correctly. Mr Lime taking on Mr Orange, (sounds like Reservoir Dogs) in a battle to the death. Lovely graphics and some silly sound fx make this an alround top notch PD game.

+3850 MASTERBLASTER V2.0 UNPACK DISK

This game is based on the idea of Dynablaster. You can play with up to 5 oponents at the same time. The main goal is to survive and kill all the other enemys. You can do this by placing bombs on the ground. They will destroy the brick walls around you and may even release some extras to collect.

+3858 TRAP 'EM UNPACK DISK

A simple but addictive platform romp. Negotiate the 3 towers by destroying all the monsters on each level. Lay traps so that the various creatures get caught, then blast them to bits to finsh them off. The 3 towers each contain 10 levels and every 5 levels are split with a 'gravity-ridden' jetpack course. There are many types of monsters and as you progress it becomes more difficult to destroy them. Some can avoid your traps, shoot at you, lay their own traps and even zoom around.

+3860 ANTZ UNPACK DISK

You are the Antmaster. Your mission is to give doom or deliverance to hundreds of tiny dot like creatures called the ants. You have to eat away the bad guys, pixel by pixel. Do this by charging ants towards them in a kamikazi attack. No ant survives an attack with an enemy. Their destiny is death.

+3863 DARK ANGEL UNPACK DISK

Dark Angel is a Flashback style adventure game. Your play the role of a secret assassin who must destroy the malfunctioning biomechanoid humans who were placed on earth to uphold law and order. Your only weapon is a poxy gun. Can you complete your mission.
