+3506 EFF'S GUIDE TO THE INTERNET V2.3   UNPACK DISK

The EFFGTTI is a massive .guide file containing stacks and stacks of
information about the Internet. What it is, What it does, How to get on,

What you can get once you are on. Lists of FTP sites and much much much
much more. If you are thinking about going on Internet, then get this
first. This was formerly known as the Big Dummys Guide To The Internet, but
this is the latest version.

+3552(ABC) STAR WARS IMAGINE OBJECTS   UNPACK A   B   C

These three disks are jam packed full of Imagine 2 & 3 objects based on the
Star Wars theme. Tie Fighters, Interceptors, X-Wings, B-Wings, A-Wings and
various other models are spread over this set. Not all the objects have
colours or textures attached so you will have to create your own. SUPERB..

+3566 F1 DEMO VERSIONS   UNPACK DISK

Demo versions of 3 F1 Licenseware productions. On here we have Erik - a
platform game. Junior Artist - speaks for itself and Ultimate Quiz - if you
cant work out what this one is then you dont deserve to own an Amiga. Full
versions of all these programs can be bought directly from 17 Bit Software.

+3605 BARTENDER V1.1   UNPACK DISK

Bartender is a 1000 alcoholic drink database featuring a helpful to use
GUI. A full list of drinks is displayed. Clicking on the name of a drink
will bring up the contents of the drink and details on how to make it. The
database also outputs to a printer. Very interesting.

+3649 JOKEDISK   UNPACK DISK

A disk with thousands of jokes on it covering dozens of different subjects.

+3710(ABCDEF) PROJECT UFO   UNPACK A   B   C   D   E   F

This is a 6 disk set containing over 4 Megs of UFO related text files from
the BBS's across the world. It contains hundreds of articles about famous
(Roswell) and not so famous sightings, theorys, predictions, possibilitys
and tons more. An excellent collection.

+3729 PRO LOTTERY V1.1   UNPACK DISK

There are many lottery prediction programs available for the Amiga, some of
which make promises of amazing wealth, others just pick random numbers, some
are just unuseable. Pro-Lottery is something very different. In fact, it's not
just regular wins that are offered - it's regular multiple wins. This is
because Pro-Lottery not only picks the numbers for you, but arranges them
across a number of tickets according to your budget. No matter how much you
spend on the lottery, whether it's 2 pounds or 30 pounds Pro-Lottery will be
able to come up with a suitable perm for you, all of them offering multiple
prizes when successful.

+3759 ROBS HOT LOTTERY PREDICTORS   UNPACK DISK

Balls, CopTheLotProfessional V1.0, LotteryPredictor V1.0.

+3761 HARDWARE PROJECTS DISK   UNPACK DISK

Tons and tons of projects on here for you to build and blow up all your
equipment with. Clocks, Floppy drive adaptors, joystick adaptors and loads

more.

+3762 MORSE CODE TUTOR V1.2   UNPACK DISK

This program contains the complete alphabet, continental letters, numerals
(normal and abbreviated), punctuation, procedure signals, informal amateur
cw abbreviations, international Q-codes and RST codes. Morse Code Trainer
also takes you through 18 exercises, each designed to help you memorise the
Morse alphabet quickly.

+3766 THE X-FILES GUIDE   UNPACK DISK

A sackful of information about the best show on TV. Episode guides,
pictures, FAQ's etc etc etc.

+3767 THE ART OF ILLUSION   UNPACK DISK

A disk full of optical illusions for you to ponder over for a while. Quite
nice.

+3802 SAUCE N CODE #1   UNPACK DISK

This disk is aimed at AMOS coders who are already quite good. The disk is
more a collection of interesting, good and useful routines than simple
demonstrations on how to do basic things.

+3837(AB) ACT OF WAR HELPER SET   UNPACK A   B

This 2 disk set contains all that you need to set up your own Act of War
missions, it includes gametiles, maps, weapons info and weapon pictures. All
you need to do is the other parts, put the whole thing together with a little
imagination. Each different type of mission is best put on a different disk
to avoid any hassle later on with borders.

+3869 LOTTERY PRO + UTILS   UNPACK DISK

This is a lottery predictor with a difference. There are various ways of
picking your numbers with this program, but the best way on here is to play
games to do the job. Joystick wiggling, Horse racing, Quiz, Target practise
and a couple of others help make lottery predicting fun, instead of all
that statistical rubbish you read in the papers. Also on here are a stack
of WB and CLI utils.
