Christmas Services

As I'm sure everyone is aware of by now, this is an atypical month. The first 3 weekends we are doing a special Christmas sermon illustration that is a big production which will require a lot of attention to detail. Because of this some of our newer camera crew members and those who weren't available for both services may not be used for the first 3 weeks. I did my best to still give everyone something to do at some point in the month, but it proved difficult to do. Please contact me directly with any concerns or questions.

Christmas Rehearsals

Because of the extra attention this production requires in order to produce a quality product for our live and satellite campus audience we will need to have a rehearsal before each weekend. Every Saturday morning there will be a full dress rehearsal with all cast and crew where we will do multiple run-throughs of the production. This will allow us to fine tune each shot and make sure everybody is up do speed on their assignments. The rehearsal times will be from 9:00am - 12:00pm on Saturdays.

please do your best to attend and if there is a conflict please let me know beforehand.

Christmas Party

On Wednesday, December 11th at 7:00pm Trinity is hosting their second annual Christmas Party. It will kick off with a 20 minute caroling service in the Worship Center then it's on to the foyer and outside where there will be activities, food and drinks for the whole family. If you plan on attending the event and don't mind hopping on a camera for the 20 minute service we could really use you. It's in the round this year so the more we have the merrier. Please let me know if you are available so we can plan accordingly.

Christmas Eve Service

We are also having a special service on Christmas Eve (Dec. 24th) at 5:00pm. We will also require a crew for this service so keep an eye out for an email of your availability for that.

Thanks for all you do and have a Merry Christmas!
