

MCA Testing 2013

Spring is MCA Testing time for grades 3-11! Our Math, Reading, and Science MCAs will all be online this year, with the exception of 11th grade Math (still a paper-pencil administration). Additionally, the 9th grade Writing test will be a paper-pencil test. The testing schedule is as follows, although due to absences some online dates may vary (online testing window is anytime between March 11th and May 17th).

Make sure students get a good night sleep and eat breakfast the morning of testing!

Please feel free to contact the Ms. Dayton with any questions you might have about testing.

High School Schedule:

<u>MCA Test</u>	<u>Date</u>
Written (9th gr) *paper	April 16th
