

McGregor School District  
Referral Process

1. The teacher will bring the completed CST Referral Form, with intervention data to the CST meeting.
2. The teacher will present concerns, background information, and results of previous interventions.
3. The team will discuss whether additional interventions are needed and/or whether a comprehensive assessment is warranted.
4. If a comprehensive assessment is warranted, the student will be assigned to a special education case manager.
5. Assessments follow MN due process timelines as noted in the district TSES manual.

\*All forms are located in the Mail Room.
