- V & JVVB @ Esko/ bus leaves @ 4:15

Friday

- MN Grad Services here at 8am for class ring orders
- FB vs Isle - Home. Kids Plus has concessions

Reminder to students - if you are late for a class, you need to come and get a tardy pass from the office. Excused or unexcused, your teacher will not let you into class without it. Another reminder that if you are absent, come in late, etc., you need to have a note or the office needs a phone call from a parent/guardian or the absence is unexcused no matter what the reason. We have a new attendance policy this year and you have a very good chance of losing credit if you reach the max for unexcused absences. Also, it is now mandatory that we file a truancy petition with Aitkin County when a student reaches a certain number of unexcused/unverified absences. Check your handbook for the details on this policy.

Students wishing to make schedule changes must do so with Mrs. Dayton by the end of the day today! Stop by her office during the class hour you'd like to make the change.

Any students interested in joining DECA (an association of marketing/business students) - there will be a meeting tomorrow (the 10th) during 1st lunch in Mr. Wisotzke's room.

Adam from MN Grad Services will be here tomorrow at 2:50 with information on class rings. He'll be returning on Friday morning to take orders.

NHS and Jr. NHS community service opportunity: Working with Northland Assisted Living senior citizens. Contact Evelyn Gardner at 218.768.3356 for details. Double hours will be offered for NHS members who wear their t-shirts when volunteering for this activity.

Vending Machines in Commons: Several people lost money yesterday because the Dasini/Coke machine got jammed up with a half-dollar coin. There has been a sign on that machine since last year saying only quarters, nickels and dimes will work. None of the machines will accept 50¢ pieces or pennies.

College Fairs for interested Jrs & Srs:

-National College Fair in Minneapolis on Sept. 24th or 25th

-Wisconsin Education Fair on Sept. 16th at WI Superior campus.

*If you are interested in attending either, you'll need to provide your own transportation and have permission from parents. See Ms Dayton if interested and with questions.

Seniors! Scholarships will be posted on the wall near Ms Dayton's hallway. It will be updated weekly or as needed. There are many opportunities for scholarships throughout the year, so check weekly! The Scholarship page on our website (under Counselor) will also be updated.
