Dear Sir:

I've heard that the **tomato** is a really cool thing to grow. It likes **warm/hot** temperatures, and it only takes **75** days to reach maturity. I also like the fact that it's a **fruit**.

If you could send me more information about the **tomato**, I would really, really appreciate it.

Thank you in advance.

Sincerely,

John A. Gardener

P.S.: The next vegetable is the **pepper**.
