

Search Help

[To perform a search:

1. In Search For, type the text to find.
2. In Rank, you can select a belt rank. With a belt rank selected, the only topics found are those containing information about katas for the specified rank.
3. In Kata Origin, you can select one or more martial arts styles. With a style selected, the only topics found are those containing information about katas originating from the specified style.
4. Choose OK.

[To display a found topic:

§ In Search Results, double-click the topic name.

[To display the next highlight for the selected topic:

§ In Search Results, choose Next.

[To display the next highlight for the selected topic:

§ In Search Results, choose Previous.
