

The Kanjah Crisis v2.0 is a single map it has working terminals and a lot more. This comes with this map.

S'pht Dam is a single map just like Kanjah Crisis and its big to. You can download it at <http://members.aol.com/DMMC1/DMMC.html> and just go to back files and download the archive.

Pit of hell is a map I made with tons of aliens tons of weapons. You can download it at <http://www.wco.com/~eriksale/Marathon3.html>

Send me your maps

Send me your maps. It can be big or small it can be net or single. And I will pick the 3 best's that is good and fun to play.
