

Thanks for downloading the official unofficial Escape Velocity Ship Guide. I'm sure it will prove to be useful. Also look for the Escape Velocity Upgrades Guide. Featuring pictures and plenty of statistics, the Upgrades Guide also gives you pointers about upgrades as well as where you can purchase the upgrade.

If you have any comments/questions/corrections feel free to email me at:
MasterM4@aol.com.

This guide is brought to you by GameRate, the premier Macintosh shareware game reviewing ezine. For more information about GameRate, click on the below picture.
