

Registering Escape!:

I've worked very hard on this game and would like to continue to update Escape! as well as release other useful and fun utilities and games, but the only way I can do this is if you send in the requested fee. Please, if you use this, send in the small fee requested along with the registration form (it can be filled out and printed from within the "Registration (open me!)" application, select the option "How to Register..." (in the Apple menu) from within Escape!). VISA and MasterCard payments are now accepted via FAX, email and standard mail. You will receive a registration code via e-mail or U.S. mail if you don't have an e-mail address. Do your part to keep the idea of shareware (and me) going! Thank you.

I have tested Escape! to the best of my ability, but cannot possibly test it with every application, INIT setup, etc. If you find any problems, please let me know about it. Also, if you have any suggestions of other features you'd like to see, let me know. You can contact me at the address or on-line service below:

Multiple Copy discounts and Site Licenses are available. Multiple copy discounts are calculated automatically when you use the "Registration (open me!)" application.

If you'd like me to send the latest version of Escape! along with all my other shareware, send \$5 or send a self addressed stamped return envelope and a formatted disk and I'll send you the latest of all my shareware.

Shareware fee: \$10 per copy
