

CLUB KIDSOFT DEMO NOTES

This file contains information about how to quit every demo on the Club KidSoft CD-ROM, and any special instructions or notes about these demos. Scroll down until you find name of the demo you are interested in.

Amazon Trail

To quit this demo, press ESC to get to the main screen, then click the End Quest button.

NOTE: THIS DEMO RUNS WITHOUT SOUND. THE PURCHASABLE PRODUCT RUNS WITH SOUND.

Arthur's Birthday

To quit this demo, choose Quit from the Main Menu.

Arthur's Teacher Trouble

To quit this demo use the mouse to select QUIT from the Main Menu.

Bailey's Book House

To quit this demo, press the ESC key.

Beginning Reading

To quit this demo, click on the stop sign. To leave any of the activity rooms, click on the light switch.

Chadwick and the Sneaky Egg Thief

To quit this demo, click on the EXIT button on the story page.

On system with 4MB of RAM, the Chadwick and the Sneaky Eggthief may not have enough memory to run. If this happens, the message, "There is not enough memory to run Chadwick and the Sneaky Egg Thief. Refer to the helpful hints section of the User's Guide for more information. Press any key to continue" will appear. This condition is a limitation of the amount of memory available to run the demo.

To run the demo, exit Club Kidsoft, exit Windows, and run the demo from the KidSoft CD within DOS.

The path to the demo is \DEMOS\KNOWWARE\EGGTHIEF\EGGDEMO.

For example, if the CD ROM drive is configured as drive D: on the system, the DOS commands to run the demo would be:

D:
CD \DEMOS\KNOWWARE\EGGTHIEF
EGGDEMO
