

## **Trails**

**Copyright 1995  
Cosmi Corporation**

**Programming by Ron Paludan**

## Playing the Game

### Object

The object of *Trails* is to trap the white arrow without crossing either the white or black trails. The game ends when you have collided with a trail for the third time.

### Starting a new game

On the Game menu, click New Game or click on the **Start Game** button to begin a game.

### Controlling direction

Use the keyboard arrow keys ( ) to change direction

## Scoring

You receive one point for each black square created by your trail.

## Game Menu
