1. KON-MEI

Kon-mei is solitaire based on an ancient Chinese game.

This game is the one of the most popular game in Japan.

The object of KON-MEI is to remove all tiles from the playing board one pair at a time.

The rules of game are consist of two simple enough and easy to learn , but success in the game requires strategy and concentration.

Rule 1 Tiles are always removed in pairs.

Rule 2 Tiles can only be removed from the left or the right edges.

SVGA(1024x768) size and sound card is recommended. But you may play VGA size too.

You may make original arrangement of tiles and design original tiles.

For registred user, 50 arrangement are given by other file name as *konmon.exe*. That is uploaded in CompuServe WINFUN forum Other Games/Fun library. use keyword "KONMEI" to find.
