

Goey Marbles V1.0

To run marbles, move the following files into your windows\system directory;

THREED.VBX
MCI.VBX
MSAES110.DLL
MSAJT110.DLL
VBDB300.DLL

you must already have VBRUN300.DLL in your windows\system directory.

Then run the MARBLES.EXE program from within windows. See the help text on how to play marbles.
