

## **ORDERING INFORMATION**

Dorling Kindersley Multimedia titles are available wherever CD-ROMs are sold or from your local DK Family Library distributor. New titles will also be available on a regular basis. For more information contact Dorling Kindersley in the US or UK and the below mentioned organisations in other countries.

Certain titles have also been localised into other languages and more will become available throughout 1995 and early 1996 - see below for details.

Dorling Kindersley also publishes award-winning, bestselling illustrated information books and videos for adults and children. See your local bookseller or DK Family Library distributor for details.

DK Family Library is a sales operation which retails Dorling Kindersley CD-ROMs, books and videos through a network of self-employed distributors working on a commission-only basis selling direct to the public in homes, schools and offices. It offers an opportunity for individuals to make money by selling DK products to that vast sector of the population that rarely buy from bookshops. If you are interested in becoming an independent distributor please contact DK Family Library in the US and UK at the addresses below for more information.
