Dirty Little Adult Cartoons Help

If you have just started the title for the first time, watch the preview and credits video. If you have seen the credits and want to go right to the **cartoons**, click on the **Cartoons** button

When you are in the **Cartoon Menu**, select the cartoon you wish to view and click on the picture next to its name.

While a cartoon is playing, you may return to the **Cartoon Menu** at any time by clicking on the screen behind the cartoon playing.

Jack off and the Beanstalk

{ewc TSTOOLS2, Tsbutton2, "Play Part 1"[Macro=Ji(qchPath,`Jack1')] [Font="Arial"/S12/B7] /H30/W86/B2/D2}
{ewc TSTOOLS2, Tsbutton2, "Play Part 2"[Macro=Ji(qchPath,`Jack2')] [Font="Arial"/S12/B7] /H30/W86/B2/D2}

{ewc mv2mci.dll, ViewPane, "video/dlac1a.avi" /W259 /H269 /C"JumpID(`dlac2.mvb>main',`jackhelp')"}

{ewc mv2mci.dll, ViewPane, "video/dlac1b.avi" /W259 /H269 /C"JumpID(`dlac2.mvb>main',`MainClean')"}

You have just finished **Jack off and the Beanstalk** -- Part 1.

Click on the Part 2 button to continue or elsewhere on the screen to return to the Cartoon Menu

Pimper Power

Dirty Little Adult Cartoons Help

You are in the **Cartoon Menu.** Select the
cartoon you wish to view and click on the
picture next to its name.

While a cartoon is playing, you may return to the
Cartoon Menu at any time by clicking
anywhere else on the screen.

While viewing a cartoon you have several
options to control the playback of the video

The round knob on the left controls the video
playback. Click the left knob for information.

Drag the slider(thumb) to control video. Click
for more information

The round knob on the right controls the volume.
Click the right knob for information.

The round knob on the left controls the video playback. Click the knob to the left for slow motion to fast
forward. Click on the left to view in reverse. Click on the center square control to pause the video. Click on
the center right-pointing arrow to resume playback.

Drag the slider in the middle to the left or right to select the relative point in the video you wish to view.

The round knob on the right controls the volume. Click inside the outer ring at the point where you would
like to set the volume.

Wandering Women Watchers
