**Bioscience**

## LTSN Bioscience Regional Launch

Wednesday 9<sup>th</sup> May, University College London

(This event is free of charge)

Programme	
10.30	<i>Coffee and Registration</i>
11.00	<b>Supporting Learning and Teaching in Biosciences: Introducing LTSN Bioscience</b> LTSN Bioscience is a new service supporting learning and teaching – find out what we are doing to help academic staff
11.45	<b>Benchmarking the Biosciences – a chance to discuss</b> The draft benchmarks for Bioscience and Agriculture, Forestry and Agricultural and Food Sciences are available for comment. This session provides an opportunity to discuss these important documents with colleagues. Feedback resulting from the discussion will be forwarded on your behalf.
12.30	<i>Lunch and informal discussion</i>
13.30	<b>Workshop: Innovative Teaching Methods</b> Find out about and discuss alternative ways of delivering your teaching.
15.30	<i>Tea</i>

If you would like to attend please register on our website at <http://bio.ltsn.ac.uk/html/events.html> by Friday 4<sup>th</sup> May
