

TEACHING IN THE BIOSCIENCES

Kevan MA Gartland

Glasgow Caledonian University
& UK Bioscience Subject Centre

Kevan.Gartland@gcu.ac.uk

TEACHING BIOSCIENCES

- HNC to Doctorate
- UK, EU & 'International' Students
- High Quality Student Experience
- Government, Funding Councils, Universities, Employers & Clients
- Tensions
- Fiscal Consolidation Consequences
- Pressure to Maximise Income

National Bioscience Bodies

- Higher Education Academy
- Society of Biology
- Heads of Univ Biological Sciences
- Heads of Univ Centres BioMedical Science
- Learned Societies eg Biochemical Society

- Working together to provide Educational Support Materials

- To provide the best possible learning experience
- 24 Subject Centres eg UK Bioscience SC closing
- 4 Clusters eg STEM & 20 Discipline Leads
- 19,000+ Members >£22M Budget
- **Academic Practice Development**
- **Teacher Excellence**
- **Institutional Strategy and Change**

- Single unified voice for Biology
- Fusion Institute of Biology & Biosciences Federation
- 80,000+ Members

Heads of University
Centres of BioMedical
Science

HUBS

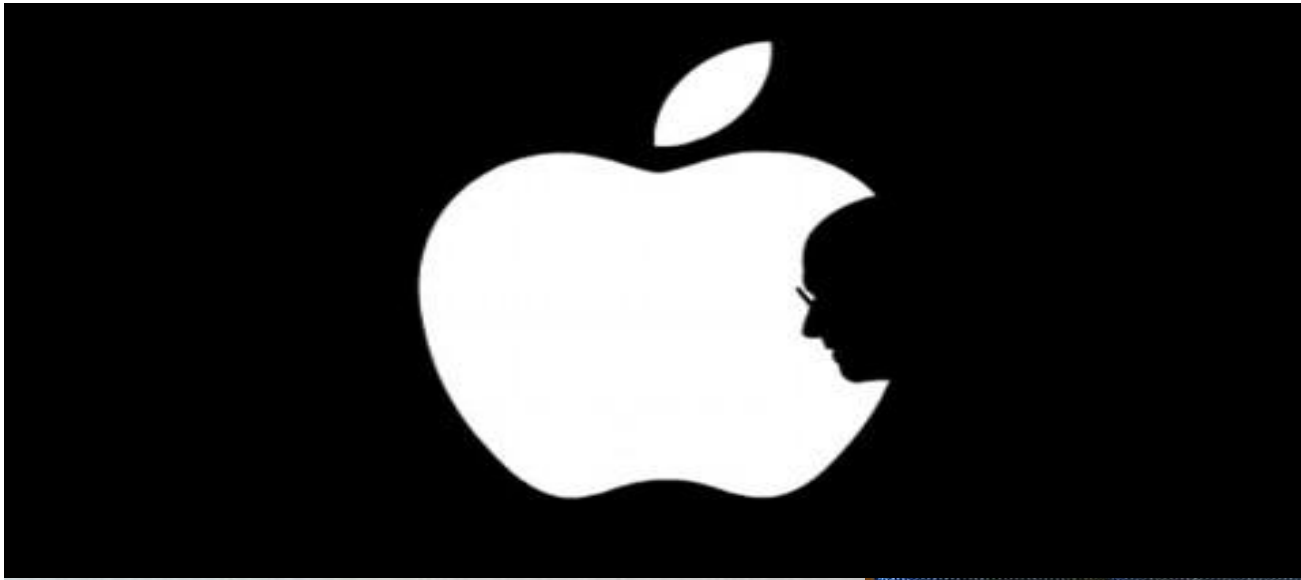

Heads of University Biological Sciences

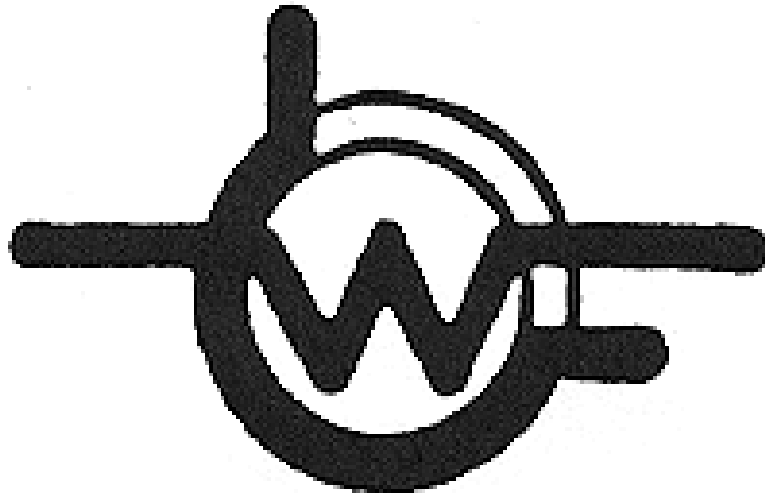

- 5,500 Members
- Strong Education & Policy Contributions
- Covenanted surplus from Scientific Publishing & Member Services Activities

UNIVERSITY SUPPORT

- Dedicated Learning & Teaching Courses
- Introductory Modules – Associate HEA
- PGDip HE L&T – Fellow
- Senior Fellows
- Bespoke Programmes

WANG

UNIVERSITY BRANDING

Reputations matter!

Difficult to establish

Easily lost!

INFORMAL SUPPORT

- Non-threatening
- Mentors
- Peer Groups
- Union appointed
- via HEA

PROMOTIONS POLICIES

- HE Framework requirement
- Published Policy
- Open to All
- Fair & Transparent

Always Remember.....

- Things will get better
- Everybody was a Rookie Teacher once!
- What is difficult for you will be for others too
- HEA Biological Science support is there to help
- You will improve

What sort of Bioscience Teacher are you?
