

## **Contents of the STAR booklets**

**(based on case studies and ‘mini-projects’)**

### **Student Transition and Retention (STAR)**

Background to the STAR Project

*Anthony Cook*

A Survey of Current Practice of Induction in the Biosciences

*Anthony Cook*

Responding to Changes in Pre-entry Qualifications

*Anthony Cook*

Why Are Students Failing? An Interview Based Investigation of Factors Underlying Academic Failure in the First Year

*Jon Scott and Maria Graal*

The First Year Seminar: a Distant Solution to a Universal Problem

*Anthony Cook*

The STAR Glossary

*Brian S. Rushton and Anthony Cook*

### **Informing Students: Community Outreach**

Proactive Policies in Reaching New Student Populations

*Anthony Cook*

Helping Learners Make SMART Decisions

*Helen Cormack*

Pre-Entry Guidance

*Rose Watson*

### **Informing Students: Quality Information**

The Provision of Informative Pre-entry Material by Higher Education Institutions

*Katrina A. Macintosh*

Providing Quality Information Prior to Entry

*Mark Davies, Anthony Cook and Peter Hogarth*

University Visit Days

*Helen Richardson, Anthony Cook and Ben Goldblum*

Supporting Your Student: Helping Parents to Help Applicants Make the Right Decision

*Bill Norton and Anthony Cook*

Surestart: Developing Contacts with Applicants to an E-learning Course

*Aine McKillop and Abbie Walker*

Bridging the Gap: Easing Students' Transition into Higher Education

*Judith Hills*

### **Supporting Students: Early Induction**

Induction: a Formal Initiation into a Position or Office

*Anthony Cook*

Organization of Registration Week

*Mike Mortimer and Suzanne McLaughlin*

Residential Events for Induction

*Suzanne McLaughlin, David Southall and Brian S. Rushton*

Off Campus Events for Induction

*Janet Pearce and Suzanne McLaughlin*

Homestart – a Support for Students in Non-university Accommodation

*Elizabeth A. Sheader and Helen C. Richardson*

E-tutor Support for Inducting Distance-learning Students

*Peter Mitchell, Clifford Stephenson and Anthony Cook*

### **Supporting Students: Extended Induction**

Gaining Independence – Slowly

*Anthony Cook*

Induction as a Longitudinal Process

*Sarah Maguire*

A Reassessment Strategy

*Suzanne McLaughlin and Raul Sutton*

Student Messenger: the Role of SMS Text Messaging in Supporting Student Transition to University

*Dave Harley, Sandra Winn, Sarah Pemberton and Paula Wilcox*

Evaluation of an Online PDP System to Support Students Prior to Entry and at Induction

*Helen Richardson and Mark Hagan*

### **Supporting Students: Student Mentoring**

The Role of Student to Student Mentoring in Induction

*Katrina A. Macintosh*

Peer Guiding

*Sinead McCormick, Anthony Cook, Bill Norton, Kim Davies and Susan Assinder*

Centrally Organised Student Mentoring

*Suzanne McLaughlin, Gillian Bartlett and Alistair Warren*

### **Supporting Students: Tutorial Support**

The Role of Tutorials in Supporting New Students

*Anthony Cook*

Biomedical Science Tutorials

*Anthony Cook and Violetta Naughton*

Extended Induction Tutorials for ‘At Risk’ Students

*Mark Huxham*

Bread and Butter: a Lunchtime Workshop to Develop Mature Students’ Fundamental Learning Skills

*Katherine Linehan*

### **Supporting Students: Through Course Design**

Curriculum Changes as a Means of Supporting University Students

*Brian S. Rushton*

The Influence of Student Development on Practical Curricula

*Anthony Cook*

A Module in 'Study In Higher Education'

*David J. Harewood and Susanne McLaughlin*

Bridging – Preparing International and Local Students for Final Year BSc Honours Studies

*Peter Mitchell*

Doing Biosciences for Real: Acquisition of Work-based Skills During External Scientific Research Placements

*Brian S. Rushton, David W. Southall, Gavin H. Thomas and Mark S. Davies*

Professional Skills Tutoring System

*Raul Sutton and Suzanne McLaughlin*

Supporting First-Year Chemistry for Students of Bioscience

*Stephen McClean, J. David Ruddick and Keith R. Adams*

### **Supporting Students: International Students**

The Challenge of Supporting International Students to Ensure Academic Success

*Brian S. Rushton*

Support for International Higher Education Students in the UK

*David Southall, Brian S. Rushton, Anne Hagan, Claire Kane and Sinead McCormick*

University of Sunderland Retention Initiatives for International Students

*Siobhan L. Devlin*

### **Supporting Students: Special Needs**

Making 'Reasonable Adjustments' – the Driving Force of Legislative Changes in the Provision of Support for Students with Special Needs

*Brian S. Rushton and Jennifer Smyth*

Learning Styles and Study Skills Module for Students with Dyslexia

*Elizabeth Amesbury, David Southall and Brian S. Rushton*

Supporting Students with Specific Learning Difficulties and Other Disabilities

*Joan McQuoid and Brian S. Rushton*

### **Supporting Staff: Staff Development**

Staff Development in Higher Education Institutions

*Katrina A. Macintosh*

Learning Through Audit: the STAR Transition Audit

*Anthony Cook and Brian S. Rushton*

Staff Development Programme: Theory, Practice and Policies Relating to Dyslexia

*Elizabeth Amesbury*

Brian S. Rushton and Anthony Cook, University of Ulster
