---

# IMPACT!

---

**Please tell us how  
Centre  
activities/resources  
have influenced  
learning and  
teaching in HEIs**

# **UK Centre for Bioscience from 2011**

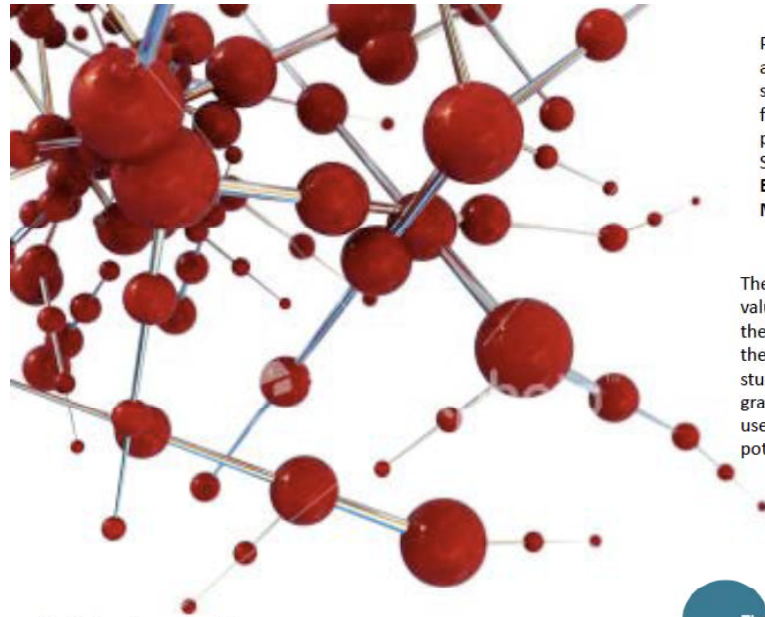

---

**THANKS FOR YOUR SUPPORT!**

# National Student Profile in Microbiology

---

Prospective students and their parents should benefit greatly from the recently published National Subject Profiles in **Biochemistry and Microbiology**.

These reviews contain valuable information about the disciplines and present the positive views of current students and recent graduates. They also contain useful information about potential career paths.

**If you would  
like a copy  
please let us  
know**
